

IN THE UNITED STATES DISTRICT COURT  
FOR THE SOUTHERN DISTRICT OF OHIO  
EASTERN DIVISION

UNITED STATES OF AMERICA

vs.

2:24-cr-078

JUDGE MICHAEL H. WATSON

CHRISTOPHER W.L. EMMERS

REPORT AND RECOMMENDATION

Defendant Christopher Emmers previously pleaded not guilty to an *Indictment* charging him with possession with intent to distribute 50 grams or more of a substance containing a detectable amount of methamphetamine in violation of 21 U.S.C. § 841 (Count 1), possession with intent to distribute 40 grams or more of a substance containing a detectable amount of fentanyl in violation of 21 U.S.C. § 841 (Count 3), possession with intent to distribute methamphetamine in violation of 21 U.S.C. § 841 (Count 5), and three counts of being a felon in possession of a firearm in violation of 18 U.S.C. §§ 922(g)(1), 924(a)(8) (Counts 2, 4, 6). *Indictment*, ECT No. 4. The *Indictment* also includes a forfeiture provision. *Id.* The United States thereafter entered into a *Plea Agreement*, ECF No. 28,<sup>1</sup> executed pursuant to the provisions of Rule 11(c)(1)(A) of the Federal Rules of Criminal Procedure, whereby defendant agreed to plead guilty to Counts 1 and 6. On September 25, 2024, defendant personally appeared with his counsel for a change of plea proceeding.

Defendant consented, pursuant to 28 U.S.C. §636(b)(3), to enter a guilty plea before a Magistrate Judge. *See United States v. Cukaj*, 25 Fed.Appx. 290, 291(6<sup>th</sup> Cir. 2001)(Magistrate Judge may accept a guilty plea with the express consent of the defendant and where no objection to the report and recommendation is filed).

---

<sup>1</sup> The *Plea Agreement* contains an appellate waiver that preserves only certain claims for appeal, collateral challenge, and motion for reduction of sentence. In the *Plea Agreement*, defendant agreed to the forfeiture provision in the *Indictment*.

During the plea proceeding, the undersigned observed the appearance and responsiveness of defendant in answering questions. Based on that observation, the undersigned is satisfied that, at the time he entered his guilty plea, defendant was in full possession of his faculties, was not suffering from any apparent physical or mental illness and was not under the influence of narcotics, other drugs, or alcohol.

Prior to accepting defendant's plea, the undersigned addressed defendant personally and in open court and determined his competence to plead. Based on the observations of the undersigned, defendant understands the nature and meaning of the charges in the *Indictment* and the consequences of his plea of guilty to Counts 1 and 6. Defendant was also addressed personally and in open court and advised of each of the rights referred to in Rule 11 of the Federal Rules of Criminal Procedure.

Having engaged in the colloquy required by Rule 11, the Court concludes that defendant's plea is voluntary. Defendant acknowledged that the *Plea Agreement* filed on September 16, 2024<sup>2</sup>, represents the only promises made by anyone regarding the charges in the *Indictment*. Defendant was advised that the District Judge may accept or reject the *Plea Agreement* and that all sentencing terms will be determined by the District Judge. Defendant was further advised that, even if the District Judge refuses to accept any provision of the *Plea Agreement* not binding on the Court, or if the sentence imposed is more severe than the sentence that defendant expected, defendant may nevertheless not withdraw his guilty plea on that basis.

Defendant confirmed the accuracy of the statement of facts supporting the charges, which is attached to the *Plea Agreement*. He confirmed that he is pleading guilty to Counts 1 and 6 of the

<sup>2</sup> Defendant testified at the change of plea proceeding that, after having read, discussed with counsel, and understood all terms of the *Plea Agreement* and the *Statement of Facts*, he authorized his counsel to sign the *Plea Agreement* and the *Statement of Facts* on his behalf.

*Indictment* because he is in fact guilty of those crimes. The Court concludes that there is a factual basis for the plea.

The Court concludes that defendant's plea of guilty to Counts 1 and 6 of the *Indictment* is knowingly and voluntarily made with understanding of the nature and meaning of the charges and of the consequences of the plea.

It is therefore **RECOMMENDED** that defendant's guilty plea to Counts 1 and 6 of the *Indictment* be accepted. Decision on acceptance or rejection of the *Plea Agreement* was deferred for consideration by the District Judge after the preparation of a presentence investigation report.

In accordance with S.D. Ohio Crim. R. 32.1, and as expressly agreed to by defendant through counsel, a written presentence investigation report will be prepared by the United States Probation Office. Defendant will be asked to provide information; defendant's attorney may be present if defendant so wishes. Objections to the presentence report must be made in accordance with the rules of this Court.

If any party seeks review by the District Judge of this *Report and Recommendation*, that party may, within fourteen (14) days, file and serve on all parties objections to the *Report and Recommendation*, specifically designating this *Report and Recommendation*, and the part thereof in question, as well as the basis for objection thereto. 28 U.S.C. §636(b)(1); F.R. Civ. P. 72(b). Response to objections must be filed within fourteen (14) days after being served with a copy thereof. F.R. Civ. P. 72(b).

The parties are specifically advised that failure to object to the *Report and Recommendation* will result in a forfeiture of the right to *de novo* review by the District Judge and of the right to appeal the decision of the District Court adopting the *Report and Recommendation*. See *United States v. Wandahsega*, 924 F.3d 868, 878 (6<sup>th</sup> Cir. 2019); *Thomas v. Arn*, 474 U.S. 140 (1985).
